Healthy lives: Delayed onset, improved recovery, or mortality change?

Tim Riffe · Niel Mehta · Mikko Myrskylä · Daniel Schneider

1 Background

2 Data and Methods

2.1 Data

2.2 Methods

2.2.1 Transition probabilities

2.2.2 Markov health models

2.2.3 Decomposition method

3 Results

3.1 Trends

3.2 Trend decomposition

4 Discussion

5 Conclusions
